**WILTSHIRE NEEDS  
YOU TO PLAY  
YOUR PART**

**Help control the spread of COVID-19**

---

You will all be aware of the rising number of COVID19 cases in Wiltshire and nationally. We are seeing a significant rise in cases in the 10 to 29 year old age range and this is now spreading into older aged people. Please could I ask that you share the attached messages with your communities?

If we all act now we can hopefully prevent Wiltshire from moving into increased restrictions protecting our communities and our businesses. Critical is getting this message to young people and those in their twenties, so please do share with your contacts in sports clubs, youth organisations and parents.

Thank you so much for your help. Together we can help prevent the spread.

Stay safe and keep well

# WILTSHIRE NEEDS YOU TO PLAY YOUR PART

Help control the spread of COVID-19

**When you  
go out:**

Wash Hands

Cover Face

Make space

You must book a  
COVID-19 test if you  
experience any of these  
symptoms:

High Temperature

Cough

Change or loss of  
smell or taste

If you have COVID-19  
symptoms, no  
matter how mild:

Self-Isolate

Get Tested

Keep others  
safe

#WiltshireTogether

# Keep playing your part and prevent increased restrictions being introduced in Wiltshire:

Keep washing hands regularly

Wear face coverings in enclosed spaces

Stay at least 2 metres apart

Follow rule of six

Self-isolate when instructed
